WARTECH

"A Robotics Battle in a Galaxy Not So Far Away"

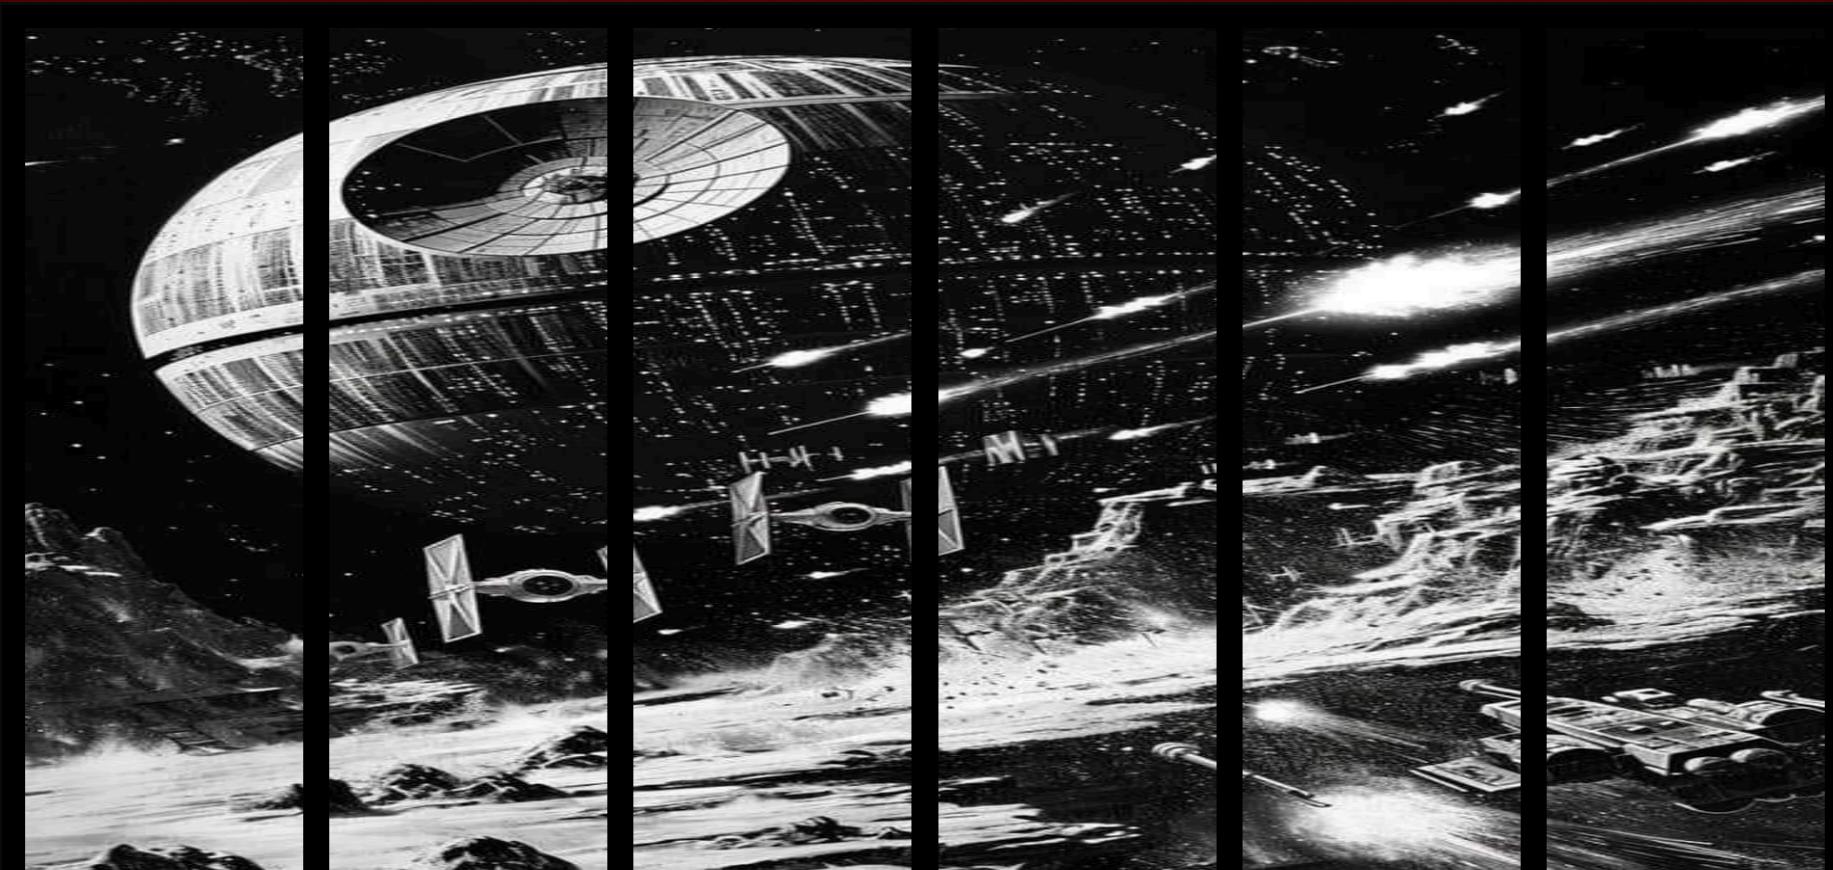

ABOUT AIT

Army Institute of Technology (AIT), Pune, is a premier engineering institute established in 1994 exclusively for the wards of Army personnel. Affiliated with Savitribai Phule Pune University (SPPU), AIT is renowned for its excellence in academics, cutting-edge research, and student-driven innovation. The institute fosters an environment that nurtures creativity, technical prowess, and leadership skills, producing industry-ready engineers. With state-of-the-art infrastructure, a robust placement record, and a vibrant culture of innovation, AIT stands at the forefront of engineering education in India.

ABOUT WARTECH

Welcome to **WarTech 3.0**, the ultimate battleground for robotics enthusiasts! Organized by the **AIT CEAR Club**, WarTech 3.0 is set to deliver an adrenaline-fueled experience like no other. This year's edition features an exciting lineup of events, including **Robo Soccer**, **Robo Race**, **Rusty Wheels**, **Drone Drag**, and much more, designed to ignite creativity and inspire innovation among both college and school students.

Join us in celebrating the cutting edge of robotics as participants push the boundaries of technology and engineering. WarTech 3.0 promises to be a thrilling platform for showcasing talent, testing skills, and competing for glory in the electrifying world of robotics.

Gear up to witness innovation at its finest and partner with us to support the next generation of tech leaders!

8 EVENTS

WarTech 3.0 offers an electrifying arena where robots clash, race, and showcase their abilities in real-time challenges. Participants will navigate obstacle courses, demonstrate precision control, and compete in high-speed and skill-based robotics matches, creating a spectacle of engineering excellence and innovation.
